RESOLUTION NO. \_\_\_\_\_

FULL BOARD MEETING DATE: \_\_\_\_\_

AGENDA ITEM: \_\_\_\_\_

**MACOMB COUNTY, MICHIGAN**

**RESOLUTION TO** authorize the filing of the Michigan Drug Court Grant Program application in the amount of \$13,500 to enhance Juvenile Drug Court operations. No County cash match required.

**INTRODUCED BY:** William Crouchman, Chair, Courts and Legal Affairs Committee

**COMMITTEE/MEETING DATE**Courts and Legal Affairs Committee 5-14-09

The Juvenile Drug Court program was established in 1999, funded primarily with grant funds. Its first participants entered the program in September 1999. County funding has slowly diminished in the years since the program was established.

The program's purpose is to provide a community-based option for youth whose drug/alcohol dependence has led to a level of offending that would, without this program, require residential placement. The following table shows the results for juveniles who entered the program from its inception through December 2007.

<b>YEAR</b>	<b>NUMBER ENTERING PROGRAM DURING YEAR</b>	<b>NUMBER AND PERCENT OF GRADUATES</b>	<b>NUMBER AND PERCENT WITH NO JUVENILE PLACEMENT AFTER ENTRY</b>
1999-2000	42	21 (50%)	26 (62%)
2001	27	17 (63%)	17 (63%)
2002	35	19 (54%)	19 (54%)
2003	29	10 (34%)	14 (48%)
2004	30	17 (57%)	21 (70%)
2005	27	16 (59%)	20 (74%)
2006	28	23 (82%)	23 (82%)
2007	37	35 (95%)	35 (95%)
<b>TOTAL</b>	255	158 (62%)	175 (69%)

The Juvenile Drug Court program was restructured in 2004, and again in 2006. Those restructurings have significantly increased its effectiveness. The result of these changes is reflected in the rising graduation rate and the rising rate of cases with no residential placement after entry, since 2003.

Program staffing has gradually been absorbed into the Court's existing work force. Remaining costs, for treatment, include \$62,955 from the Child Care Fund, of which half will be reimbursed to the County, and \$3,941 for the 10% cash match for a federal grant that helps support the program.

The average cost of a juvenile placement is currently \$170 per day, and the average length of stay is 7 months, for an average cost of approximately \$35,700 per juvenile placed. Half this cost is reimbursed to the County by the Child Care Fund, so the cost to the County of a juvenile placement averages \$17,850.

The Juvenile Drug Court program will save the County money if it succeeds with 2 or more juveniles in the next year. Since its inception, the program has succeeded with 14 or more juveniles every year; and its current rate of intake and success suggest it will succeed with more than 30 juveniles in the coming year. The money we are requesting, therefore, is expected to save the County more than \$535,500—more than fifteen times the County's cost.

The Michigan Drug Court Grant Program will expand the services available to participants. These services will make it more likely that a youth will successfully graduate from the program and be diverted from residential placement.

## **Michigan Drug Court Grant Program Budget**

Summer school 'scholarships'	\$ 2,000
Parenting class 'scholarships'	\$ 3,000
Transportation (e.g. bus passes)	\$ 2,000
Lending library	\$ 3,000
Participant incentives (gift cards, movie passes)	\$ 3,000
Annual Drug Court family picnic	<u>\$ 500</u>
<b>Total</b>	<b>\$13,500</b>

### **Budget Narrative**

**Summer school 'scholarships'** – Most juvenile drug court participants are significantly behind in school and need to make up credits. Summer school is an option, however it is very costly for families and many youth are unable to attend due to family financial constraints. Participants who wish to attend summer school to make up credits would be required to provide a written explanation of what their credit needs are and how summer school would fit into their future academic plans. If the request is reasonable and the family meets the financial need requirements the grant will allow the juvenile drug court to provide a portion of summer school funding. It would be expected that the family make some type of monetary contribution toward the summer school program.

**Parenting class 'scholarships'** – Many of the parents of juvenile drug court participants could benefit from parent education, but many are unable to afford the cost of the class and the books required. Grant funding will allow the drug court to provide funding for parenting classes provided by local community agencies.

**Transportation** – There have been youth referred to drug court who have been unable to participate as their parent does not have reliable transportation or their work schedule does not allow them the flexibility to drive their child to all required activities. Without the intensive drug court program these youth are at a greater risk for being placed in a residential facility to address their substance abuse issues. The grant will allow the juvenile drug court to purchase bus passes to assist those families with transportation needs.

**Lending Library** – As part of drug court participation, the Judge requires the youth to read certain books with lessons in accountability, responsibility, sobriety, etc. Additionally, the drug court treatment provider may identify books for participants or their parents. The grant will allow the juvenile drug court to purchase these books and other written resources to loan to participants and their families.

**Participant Incentives** – Incentives are an important tool to reward significant progress and to introduce youth to healthy, drug-free activities. Once they eliminate drug usage, many participants do not have any productive activities to fill up their free time. The grant will allow

the drug court to purchase movie passes, gift cards, and to pay for participation in sporting activities through local communities in order to introduce youth to positive leisure activities.

**Annual Drug Court Picnic** – An annual drug court picnic will serve as a reward for hard work and an opportunity to introduce youth and their families to recreational and treatment activities outside of the normal office/courtroom setting. The grant will allow the drug court to purchase food and other supplies to host this important drug court event.

### MEMORANDUM

**TO:** Courts and Legal Affairs Committee

**FROM:** George E. Brumbaugh, Jr.  
Corporation Counsel 

**DATE:** May 5, 2009

**RE:** Advertising in Macomb County Bar Association Bar Briefs Monthly Publication

I was asked last month to provide information concerning advertising for legal services in the Macomb County Bar Association's monthly publication which is entitled *Bar Briefs*.

I have attached a copy of the Bar Association's guidelines for ads in *Bar Briefs* and the cost for same. Because I pay yearly dues as a member of the Macomb County Bar Association, I believe that the Bar Association will charge us the member rate rather than the non-member rate.

The cost of an ad varies depending upon its size. Classified advertising would only cost approximately \$30 based upon the draft of an ad which is attached to this memo.

I will await further direction from the Committee as to the next step to take in this process.

The majority of the suits involve claims arising from the activities of the Sheriff's Office involving the jail and law enforcement activities involving the enforcement of state laws and local ordinances by deputies. If your law firm is interested in possibly representing the County, please contact the Office of Corporation Counsel, 1 S. Main Street, 8<sup>th</sup> Floor, Mt.
